

Olifructine™ AF

Origin: Mexico

Description: Olifructine™ AF is a prebiotic soluble fiber in powder. It is an standardized organic food ingredient that consists mainly of Organic Agave Fructans.

Agave fructans consist of branched chains of fructose, with β 2-1 and β 2-6 linkages and usually have internal or terminal glucose. Agave fructans are naturally found in Agave plant and are commercially known as Agave Fructans or Agave Inulin.
